**What do they mean "Senior Wrangler"?**

**Y**OU may not have met one of those dear old boys,—Oxonian stuff, what, what?—but our idea of a senior wrangler is a '23 man trying to work up a lather with the wrong kind of shaving cream.

There's no "wrangling" necessary to get a lather with Williams' Shaving Cream. Squeeze out a spendthrift's dab or a tightwad's dab—it's all the same. Either way you get a big, efficient lather that softens the beard right down to the base of every hair.

And best of all, this big Williams' lather has a decidedly beneficial effect on your skin. No complexion soap could do more for you than Williams' does every time you shave. Get a tube of Williams' today and begin giving your face this helpful care.

Notice the hinged cap. You can't lose it—and the tube hangs up!
